

October 2006

Dear Neighbor,

I wanted to take a moment to write to you as the wife of Congressman Curt Weldon.

During the 35 years we have been married, we have raised 5 wonderful children, and have been blessed with 1 perfect grandchild.

In Curt's 30 years of public service, I have never felt the need to communicate my feelings regarding his candidacy as Mayor, County Council member, or Member of Congress. This year, however, is different.

I have seen endless unfounded attacks on my husband's record of service. Not only has Curt's record been attacked and distorted, but now my children are being targeted. The media, TV, newspaper and internet blogs are making allegations that are mean, hateful, vicious and downright untrue!! I am sure you will see these allegations, read them or hear, second hand, please know they are not true.

I know Curt Weldon better than anyone - I know his strengths and I know his faults. I also know his absolute sincerity and commitment to helping others.

Curt works as hard as any human being could work on your behalf. He even finds the time to clean the trash thrown on the 2 mile stretch of road where we live.

Curt prides himself in working with other members of Congress in a bipartisan manner. He is a writer, not a divider. In the 12 years as an Armed Services Subcommittee Chairman, he has never had an issue that caused Democrats and Republicans to split. Many of these issues include education, health care, first responders, and the environment. We need more of this in our nation's Capital.

Many of you know Curt personally - many don't. I can tell you he has given many, many, hours on your behalf, your families, and our nation. He deserves to be re-elected.

I respectfully ask for your support of my husband's candidacy for re-election on November 7th 2006.

Thank You
Mary Weldon
